Skyrocket Your Company with Our Multi-Channel Investor Engagement Campaign

Maximize the potential of your company with our tailored, multi-channel marketing campaign designed to engage and captivate a vast targeted investor audience of over 60k+ opt-in active email subscribers, 20k+ mobile text subscribers, 20k+ opt-in active auto dialer subscribers, 10k+ mobile app subscribers and 20k+ active Telegram members. Our strategic approach ensures maximum visibility and investor interest through a blend of customized content, targeted messaging, and dynamic digital tools. Here's how we'll amplify your presence:

Email Marketing: 1,200,000k+ Emails - Precision-Targeted Engagement

Audience: Over 60,000 opt-in active subscribers.

Click Funnel/Email Journey: We'll craft a 20-email sequence leveraging your custom client lander, recent news, trading updates, and articles. Emails will be deployed daily before market open and during trading hours for 20 trading days.

News Alerts: Morning emails will promptly notify subscribers of breaking news, including content and links.

Article Updates: Premarket emails will highlight new articles to keep your audience informed and engaged.

Customization: All email content is tailored to align with your campaign goals.

Custom Client Lander

We'll design a professional, investor-focused landing page tailored to your company. This comprehensive lander will feature:

Current news, charts, and financials.

Company overview, products, and leadership profiles.

Articles, FAQs, and contact information.

Website & Email Advertising:

200k+ Impressions - High-Visibility Placements

Website:

Your banner ads and popups will be prominently displayed on our high traffic investor websites, attracting thousands of daily visitors.

Email Ads:

Banner ads will be integrated into transactional emails and portfolio alert emails, ensuring consistent exposure.

SMS Text Messaging:

180k+ Text Messages - Direct & Impactful

Audience: Over 20,000+ opt-in active subscribers.

Strategic Text Campaign

Text 1

Sent post-market close the day before, introducing your company with a link to the client lander.

Text 2

Morning alert with breaking news and a link.

Text 3

Premarket text linking to a new article.

Text 4-9

Spread across weeks 2-4, alternating between news alerts and article links to maintain engagement.

Customization: Texts are fully customizable to align with your campaign objectives.

Mobile App Notifications: 400k+ Notification Reach - Real-Time Connection

Reach:

Over 10,000+ app downloads (Apple Store & Google Play).

Dynamic Notifications:

Multiple push notifications will highlight your company and direct users to the client lander.

Share recent news, trading activity, achievements, products, and new articles.

Impact:

Keeps your brand top-of-mind for our active investor community.

Social Media, Chat & Message Boards: 40k+ Direct Messages

Social Media:

Your news and updates will be posted on X (60k followers), Facebook (2,000 followers), BlueSky (2,000 followers), Facebook (2,000 followers), LinkedIn (500 followers), and Reddit. Private Chat Groups 30k+ Followers with push notifications.

Direct Messaging:

Daily X DMs to 1,000 followers and BlueSky DMs to 2,000 followers for news updates throughout the campaign, including weekends.

Chat & Message Boards:

We'll share your news, products, client lander, articles, and achievements on platforms like Discord, Telegram, and StockTwits.

Content Creation: Compelling Articles

Frequency:

Two in-depth articles per week, focusing on your company's latest developments.

Distribution:

Published and shared across 60k+ emails, 20k+ text, chat, social media, 20k+ Telegram & Discord members and 10k+ mobile app notifications for maximum reach.

Telegram & Discord:

20k+ Members - Real-Time Connection

Reach:

Over 20,000 telegram and discord.

Dynamic Messages:

Multiple media messages will highlight your company and direct users to the client lander.

Share recent news, trading activity, achievements, products, and new articles.

Impact:

Keeps your brand top-of-mind for our active investor community.

Interactive Automated Dialer:

80k+ Calls - Personal Outreach

Audience

Over 20,000 opt-in active subscribers.

Functionality

Our automated dialer delivers a message about your latest news, allowing subscribers to interact and receive a text or email with the news release.

Frequency

Calls are initiated weekly to ensure consistent engagement.

Test It

Experience the dialer by calling 929-209-3332.

Squeeze Report: Short Squeeze Report

Frequency:

Two in-depth short squeeze articles, focusing on your company's latest short.

Distribution:

Published and shared across 60k+ emails, 20k+ text, chat, social media, 20k+ Telegram members and 10k+ mobile app notifications for maximum reach.

Ticker Tag Press Release: Industry Buzz

Content: A follow-up press release highlighting your recent news, incorporating trending stock tickers in your industry to amplify relevance, released 1–2 hours after your primary press release.

Proof of Work:

We deliver irrefutable Proof of Work with full transparency! You'll receive detailed documentation, including direct links, high-quality screenshots, and clear evidence of every task we've successfully completed — so you can see exactly how we deliver results.

Why Choose Us?

Our integrated investor awareness campaign leverages a robust network of engaged investors across email, text, web, mobile apps, social media, chat and AI. With customized content, strategic timing, and multi-channel distribution, we ensure your company stands out in a competitive market. Let us help you connect with investors and drive impactful results.
